

Perfect for Healthcare
Environments

BATTERY-POWERED CHARGING SOLUTION

KBEP-CGR, KBEP-BAT,
KBEP-BASE1, KBEP-BASE3,
KBEP-BASE9

KwikBoost EdgePower® is the cordless power solution for charging mobile devices in today's healthcare environments. It's the first battery-powered charging station that easily clamps onto the edges of desks, tables, and other standard surfaces providing healthcare professionals, patients, and guests a convenient, 100% cord-free way to charge their electronic devices without accessing wall outlets.

The EdgePower features a 110V grounded outlet, a USB-C PD charging port, plus a USB-A charging port with Quick Charge 3.0 technology. The outlet and ports are powered by an interchangeable, rechargeable lithium-ion battery. With industry-leading capacity, the EdgePower portable power station can provide enough electricity to fully charge a typical laptop twice, a typical tablet and Chromebook up to four times, and a typical smart phone up to 14 times. It can also simultaneously charge a laptop and up to two additional powered USB-powered mobile devices.

Dimensions:

Clamp-On Desktop Charging Unit:
8.3" D (10.3" with battery) x 4.9" W x 5.2" to 6" H
(based on clamp setting)

Charging Unit Clamp Height Range: 0.7" to 1.5"

Rechargeable Battery: 9.1" D x 3.0" W x 2.1" H

Single Battery Charger: 0.75" D x 3.25" W x 2.25" H

3-Bay Base Charging Station: 12" D x 15" W x 6" H

9-Bay Base Charging Station: 12" D x 15" W x 13.5" H

Features:

- A single EdgePower rechargeable power bank can charge a typical laptop up to two times, a typical smartphone up to 14 times, and a typical tablet up to four times
- Can simultaneously charge a laptop and two mobile devices
- Includes a 110V 85W outlet, USB-C charging port, and a USB-A charging port with Quick Charge 3.0 technology
- EdgePower batteries are interchangeable to allow for continuous charging
- Rechargeable power station clamps onto desks and tabletop surfaces up to 1.5" thick
- Battery features a power switch and LED charge indicator lights
- EdgePower Base Charging Stations available in single battery, 3-bay, and 9-bay configurations
- 3-Bay and 9-Bay units offer a Kensington Security Slot for theft deterrence
- One-year limited warranty from date of shipment
