

Charging Station

16 Table/Chromebook Mobile Charging Station

LLTM16-B-V2

Conveniently store and charge up to 16 tablets or Chromebooks with Luxor's vertical charging station. This sleek cart features a 16-outlet UL-Listed electrical power strip that keeps devices fully charged while ABS plastic dividers protect devices during transport.

The mobile charging cart features all-steel construction with ventilation on all four sides, and includes four 3" non-skid, full swivel casters, two with locking brakes, that easily glide on any floor surface. Best of all, this steel cart requires minimal assembly; simply attach the casters and ergonomic push handle and be ready to go.

Dimensions:

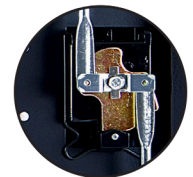

- **Overall (without handle):**
12 $\frac{1}{8}$ " W x 20 $\frac{1}{4}$ " D x 34" H
- **Overall (with handle):**
