SideTrak® Swivel Pro BY **LUXOR**

Maximize Your Team's Productivity

Elevate performance with the increased efficiency of an expansive multi-screen setup and a stunning full HD touchscreen display.

Work Without Boundaries

Whether in the office, at home, or on-site, give your team the freedom to work anywhere with a lightweight attachable monitor setup.
Experience Customizable Viewing

Designed to fit your flexible workday, adjusts to any viewing angle and seamlessly transitions into a freestanding monitor.

Patented Swivel Hinge

Effortlessly swivels 360° and rotates 270° for uninhibited viewing.

Breakthrough Nesting Design

Ultra-slim touchscreens nest perfectly together for easy transport.

Secure Screen Attachment

Adheres directly to laptops with an extra-strength hidden magnetic plate.

Connectivity

USB-C

If your laptop has a USB-C port with one of the following symbols, it is compatible with the SideTrak monitor.

USB-A

If your laptop does not have a compatible USB-C port, you can connect with a USB-C to USB-A cable and you will need to download the DisplayLink driver.

Compatibility

Windows

Swivel. Nest. Go.

Dual screens seamlessly fold together – without added bulk. Thoughtfully positioned ports keep the monitors protected while in a bag.

Patent No.: 11,531,374

Enhanced Collaboration

Transform the way your team works together by giving them the ability to conveniently share their screens with coworkers and clients.

Immersive Viewing

Featuring a stunning customizable HD display and 1080p resolution, the Swivel Pro offers an unmatched viewing experience.
