FILE CART WITH LOCKING CABINET AND STORAGE BINS

Luxor's File Cart with Locking Cabinet and Storage Bins makes a great mail cart or general storage solution for office, warehouse, or industrial use.

Highlights of this mobile file cart include a locking cabinet to help keep documents secure. Inside, there's an adaptable rail system that accommodates both letter and legal-sized hanging file folders. A quartet of removable storage bins - each with a 20 lb. weight capacity - provides a convenient spot for small items, while a full-length storage shelf at the bottom offers ample room for larger cargo. The sturdy powder-coated steel frame will stand up to many years of constant use while the commercial-grade 4" locking casters roll smoothly. A built-in push handle makes it easy to maneuver through crowded aisles.

Dimensions:

- Overall dimensions: 38.25" W x 17.25" D x 41.75" H
- Storage bin outer dimensions (each): 12.25" W x 16.75" D x 3" H
- Storage bin inner dimensions (each): 11" W x 15" D x 3" H
- Shelf dimensions: 17" W x 28" D x 1" H
- Creance between shelf and bin slots: 9.5"
- Weight capacity: 200 lbs., evenly distributed (20 lbs. per bin)

Features:

- Key lockable file cabinet
- Cabinet rail system accommodates both letter and legal-sized hanging file folders
- Removable storage bins with slotted label holders
- Built-in safety feature helps prevent bins from unintentionally pulling off their tracks
- Sturdy powder-coated steel frame and cabinet
- Storage shelf with 1" lip
- Commercial-grade, 4" full-swivel, lockable casters
- Push handle
- Easy assembly
- 5-year limited warranty
